The Organisation

The Sports Federation of Queensland, trading as QSport, is the representative body for organised, affiliated sport in Queensland and by dint of its extensive membership of mainly State sporting organisations representative of their sporting activity throughout Queensland, is accepted by government as the industry peak body for sport in the State.

Established formally in 1992, the Federation is incorporated as an independent industry based collective.

Its mission is to enhance the development of sport in Queensland by working to promote and sustain interest in the development of organised sport in the State by:

- providing members with forums for the exchange of information, advice and assistance, where appropriate
- formulating policies on any subject pertaining to sport by the collection and collation of the views of members and presenting both the majority and minority view to any other organisation, institution or body governmental, semi-governmental or otherwise as appropriate
- assisting in the coordination of broad, long term planning for sport in the State
- assisting in the coordination of optimum use of sports facilities and other sporting resources in the State
- seeking and identifying direct or indirect funding sources which could be made available for the development of sport in the State, aiming to ensure that these funds are put to their most effective use
- promoting its role and that of sport by, amongst other things, the establishment and presentation of awards of merit or any similar form of recognition for skill, service and ability

QSport is analogous to the Sports Federations of other Australian States and Territories which collectively form the Australian State Sports Federations Alliance (ASSFA).

HONORARY MEMBER

Peter Stathis

Chair's Report

It is my privilege to present this report to QSport members and other interested parties on the activities of the State's industry based sports collective for the 2011 calendar year.

I do so due to the resignation, effective days before Christmas 2011, of the QSport Chair of the past five years in Richard Griffiths, the AFL Queensland CEO who has moved to the AFL's Greater Western Sydney franchise after 15 years based in Brisbane steering the administration and development of the participation level program for the AFL in Queensland.

Aided by resources that are envied by all other sports, Richard has done a sterling job in boosting his code in that time and similarly providing leadership for the QSport Board as it has progressed these past five years.

The Board thanks Richard Griffiths for his contribution to QSport and wishes him well in his new role.

2011 was a challenging year for QSport, with natural disasters dominating the first quarter and impacting on the organisation in more ways than one.

While the immediate impact of the flooding of parts of Brisbane in January was the closure of the QSport Office adjacent to Suncorp Stadium for a week, the flow on effect saw many QSport member bodies' activities for months afterwards skewed towards restoring their flood affected clubs' facilities, with the help of governments, aid agencies, businesses and a gratifyingly large army of volunteers from all walks of life pitching in to help fellow Queenslanders.

For its part, QSport organised discussion between Minister for Sport Phil Reeves, his officers and counterparts from Brisbane and

Ipswich City Councils with affected State sporting bodies on impacts and assistance required and QSport CEO Peter Cummiskey accompanied the Minister on a number of visits to regional localities to inspect flood damaged sporting facilities.

QSport also offered up previously approved funding totalling over \$200,000 to the Ministers' Flood Fightback Fund to assist sport and recreation bodies restore facilities.

That said, sport then played an influential role in raising the spirits of many disaster affected Queenslanders, with morale boosting victories by the likes of the Brisbane Roar, the Queensland Firebirds, the Queensland Reds and the Queensland Maroons giving all Queenslanders something to cheer about after such a tough opening to the year.

And at year's end, QSport's organisation and delivery of a memorable Sport Awards Presentation in November which featured the elevation of 11 outstanding Queensland sporting heroes as the 1st XI Legends in the Queensland Sport Hall of Fame, aided by our partners in News Queensland, Channel 7 and the State Government, topped it all off nicely for sport here in 2011.

All the above stretched the QSport Office of three at times and for only the second time in 15 years, the organisation recorded an operating deficit, sanctioned by the Board in August and associated in part with the one-off costs of assembling the Hall of Fame Legends for elevation at the Sport Awards Presentation, a cost QSport was happy to meet, endorsed by the response to their presence at this event which again was the biggest of its type across the country.

During the year, there was minimal change

to the faces around the QSport Board table, with consensus the aim and support for our members via our hardworking staff the order of the day.

There was considerable dialogue with our principal funding agent in the State Government via the Minister for Sport who met the Board on four occasions.

QSport places on record its appreciation of Minister Reeves' consultative approach and commends him and the Bligh Government on their support of sport in this State.

From mid year, with a State election due in the first half of 2012, discussion broadened to include meetings with the Opposition via Shadow Minister for Sport David Gibson and by Christmas, both major political parties had been furnished with QSport's 2012 State Election Policy Platform outlining those activities/ issues QSport believes need commitment to by the Government elected at the impending election.

QSport's credibility and effectiveness as the advocate for organised sport owes much to its performance, performance that from time to time needs to be assessed by those it aims to serve.

With that in mind, QSport again submitted to evaluation by members conducted externally via email of its activities.

The outcome proved that QSport continues to be perceived as an effective voice for sport, constrained only by resources available with which to prosecute sport's case.

As a tool to argue for further support in 2012 and beyond, one of the QSport Board's final decisions for 2011 approved the commissioning of QSport auditor, business advisor and sponsor PKF to research and report on the value of sport to Queensland, with particular attention to be paid to its quantitative contribution to the State economy.

QSport, through its CEO's coordination of the Australian State Sports Federations Alliance, continued to input on behalf of State and community based sport to national advocacy arrangements in what is an increasingly demanding role.

Finally, it needs to be said again that QSport could not operate as it does without the significant support of the State Government, both as principal funder and sponsor, along with a loyal band of other longstanding supporters for the Sport Awards and other activities.

Likewise, without staff to carry out the organisation's program, we would not exist as well as we do and on behalf of the Board, I acknowledge the QSport Office for its efforts.

Last but no means least are our members. Without your support, the notion of a sports collective is just that and the Board and staff thank you for your efforts in the demanding year for you all that was 2011.

KATE EGGAR
Deputy Chair/ Acting Chair

CEO's Report

2011 provided QSport with a number of opportunities to prove its relevance to its members, sponsors and other supporters.

In a year in which sport played a meaningful role in lifting a Queensland confronted by its toughest year for quite a while, QSport was involved with both the low and high spots in a year with a difference.

From being forced out of the QSport Office adjacent to Suncorp Stadium for a week by the flooded Brisbane River in January to producing one of the best celebrations of our very best sporting achievers in November, I saw QSport play a positive role for Queensland and Queenslanders.

And more significantly on a wider front, I saw many QSport member body State sporting organisations and their constituent clubs and a number of QSport Associate members pitch in with everything from personal and financial contribution for disaster affected fellow Queenslanders to scintillating on field performances that, from time to time, lifted our individual and collective spirits.

That said, much of the year was about the type of things that QSport does from one year to the next to assist member bodies maintain their momentum in the ongoing development of their sports and associated activities.

There were things that were different, though, including more emphasis on member networking and, for me, greater involvement in government program delivery via membership of the Local Sport and Recreation Jobs Plan Assessment Panel and from mid year, the Stadiums Queensland Board of Directors.

In reviewing the year, one recurring thought is how much more is passing before my eyes and through the QSport Office, most via email.

Another is the expectations of others of QSport these days compared with not so long ago, including by government as QSport's single biggest financial contributor.

There is no doubt that collaboration with government has increased, as have reporting requirements, scrutiny and intervention in some of the processes that surround decision making on funding and services for the sector.

QSport's 2012 State Election Sport Policy Platform, developed over the second half of 2011 and after discussion with both the State Minister for Sport Phil Reeves and his Opposition counterpart David Gibson, will become the vehicle for pursuing change with whichever party wins the election.

While QSport is a State based industry collective, once again in 2011 it found itself drawn into discussion at national level in the sector and as coordinator of the Australian State Sports Federations Alliance (ASSFA) and in conjunction with other State/ Territory Sports Federations, QSport continued to attempt to deal with impacts on our constituents arising from national level issues.

Earlier on, I alluded to a memorable event in November 2011 that in many ways, made any issues of concern pale into less significance, certainly at least for a few weeks leading into Xmas.

I refer to the 2011 Queensland Sport Awards/ Hall of Fame Presentation on 21 November, held once again in the Brisbane Convention and Exhibition Centre and attended by over 850, including nine of the 1st XI Legends of Queensland Sport elevated from Member to Legend status in the Queensland Sport Hall of Fame.

Flanked by fellow overseas based Roy Emerson

and Greg Norman and surrounded by Australian based greats in Mick Doohan, John Eales, Cathy Freeman, Wally Lewis, Susie O'Neill and Kieren Perkins, Rod Laver and his Legend compatriots proved that super star presence is truly something to behold. The front page picture and story in The Courier-Mail the following day said it all.

Thinking about that event reminds me that it would all not be possible without our sponsors and other supporters who make this event the biggest and best of its type across the country.

From major sponsors in News Queensland, Channel 7 and the Queensland Government through to people like our band of young volunteers on the night, QSport is both fortunate and appreciative of how you all help the QSport staff give us a great sporting related event each year to enjoy and remember.

I've mentioned "government" earlier on and it would be remiss of me not to mention specifically the effort of Minister for Sport Phil Reeves in pursuing his sport portfolio responsibilities and particularly his working relationship with the State's industry peak body for organised sport.

His regular consultation over policies and programs and his interface with the QSport Board and members more broadly has marked him as an effective conduit between government and the sector.

For the record, 2011 saw membership, government funding, sponsorship and income overall increase. So, too, did expenditure and so, too, did our presence and program of support for our members, members which

pay very little relatively speaking for what is provided.

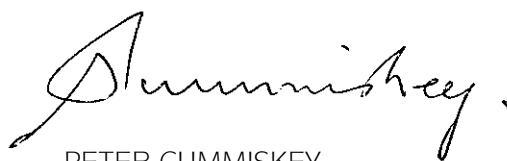

At year's end, an externally conducted survey of our members indicated QSport is on the right track, albeit some will always want more.

The year ended also with the resignation of our Chairman of the past five years in Richard Griffiths who opted for a fresh opportunity in his beloved AFL in Greater Western Sydney. I and the other staff want to publicly record here our thanks for his leadership and support. It has been enjoyable working with him and we wish him well into the future.

To the QSport Board, thanks for your assistance and support and your willingness to contribute to the good governance of our organisation. To our membership more broadly, thanks also for your support and your hospitality on occasions when our paths cross at your activities and events.

Finally, to my colleagues in the QSport Office in Kylie Thomson and Karissa Petersen, my appreciation for your efforts in support of me, the Board and those who support us. Best wishes, Karissa, for the next 12 months.

2012 shapes as another challenging year for sport and the wider Queensland community. All things being equal, QSport will be there for the good of us all.

PETER CUMMISKEY
CHIEF EXECUTIVE OFFICER

Sponsorship

Sponsorship was again the major contributor to the operations of the Federation in 2011 comprising over 48% of QSport income.

QSport is appreciative of the commitment and support of its sponsors for its activities

and services and during the year, recognised all sponsors at its functions. In particular, we would like to again acknowledge 15 year sponsors in Brisbane City Council, Brisbane Convention & Exhibition Centre, Rydges Hotel South Bank and Waterford Wedgwood.

The Queensland Government 2011 Service to Sport Awards were supported by Queensland Health and combined the former Service to Sport and Service to Junior Sport Award categories. In 2011 there were three recipients.

of Queensland Athletics for five years up to 2010 and currently President of ACHPER Qld.

Ken McGuire has given tireless service to school sport across a number of sports, but more particularly baseball.

His work with the students of Corinda High has been outstanding; joining the school as a Canadian High School teacher Graduate in 1974 where he remains to this day.

Queensland Service to Sport Award Recipients were presented with their trophy by Dr Jeannette Young, Chief Health Officer, Queensland Health. The recipients were from left to right: David Keating, Ken McGuire, Rhonda Nix.

David Keating moved to Queensland in 1977 from Papua New Guinea where he was a driving force behind the establishment of the PNG Sports Council.

He has coached track and field, swimming and baseball every one of those 37 years, and has branched out to coach soccer and AFL.

In the 30 plus years since, he has made a most significant contribution to sport here in paid roles, ranging from the 1982 Commonwealth Games, AIS Queensland Manager in the 1980's, General Manager of the Surf Life Saving Foundation, to Director of QUT's Centre for Rugby Studies earlier this decade.

Ken has coached the Queensland School Sport Baseball Team for the past 34 years, this surpasses any teacher's coaching service to one sport in Queensland School Sport history and School Sport Australia honoured him by naming the prestigious SSA trophy after him, a true sign of his impact in this sport across the country.

Not content with paid involvement, he has filled key volunteer administration posts, including President of Tennis Queensland and member of the Tennis Australia Council in the 1990's and Director of QSport and President

Rhonda Nix's passion and support for hockey stems from her early playing days in the late 1950's and continues today.

Presentations were made to the latest 15 year QSport Sponsors in the Brisbane City Council, The Brisbane Convention & Exhibition Centre and Rydges Hotel South Bank.

XXXX SPONSORS FUNCTION

The Castlemaine Perkins Tap Room at the brewery's Milton location was the venue for QSport's Sponsors Function on Tuesday evening, 9 August attended by over 50 of QSport's large family of loyal sponsor representatives.

This event gave sponsors a welcome opportunity to mix informally with each other and the QSport Board.

QSport thanks Castlemaine Perkins for this and other support at QSport functions each year.

QSPORT NETWORKING LUNCH

QSport conducted the inaugural QSport Networking Lunch on Wednesday 18 May at Rydges Hotel South Bank, South Brisbane.

This was a QSport Board initiative designed to give member SSO's an opportunity to network across sports to pick up in a largely informal setting what other counterpart bodies are up to in terms of trends, issues etc.

The lunch also provided an opportunity to acknowledge the long standing Managing Director of the Queensland Rugby Football League in Ross Livermore.

The Hon. Phil Reeves MP was also present to update members on the latest government initiatives in sport and an opportunity to speak to the Minister personally.

Mark Peters, the CEO of the 2018 Commonwealth Games Bid Team also gave a brief overview of his recent trip to Malaysia and how the Australian bid for the Gold Coast was progressing.

Treasurer's Report

Once again it is my pleasure to provide this report on the financial affairs of QSport for another calendar year.

Again, as in previous years, I commend the QSport staff who handle the day to day work associated with the raising, recording and reporting of finances to me and my fellow Board members and ultimately the wider QSport membership.

Perusal of the financial statements shows an operating deficit of \$19,858 which is the first deficit in 12 years and in line with the Board's expectation following a review in August .

Income, in fact, rose by \$101,098 on the previous year's figure, due mainly to an increased contribution from the State Government via its IPB Funding contract, increased support from members and other supporters for some QSport functions and increased contra sponsorship support from News Queensland, producer of The Courier-Mail, for the Sport Awards/ Hall of Fame.

Expenditure, though, rose by \$167,337 on the 2010 figure, with increases in all cost areas including Administration & Meetings (due mainly to one-off losses on disposal of some office equipment), Functions (largely due to the abovementioned contra advertising support from News Queensland for the Sport Awards/ Hall of Fame and associated one-off travel costs) and Staffing (via a full complement of three staff for the entire year).

With all required provisions addressed, over \$300,000 in retained member funds and a contract from the State Government for some \$570,000 for services to be provided in 2012-13, QSport remains in a sound financial position.

I commend the Balance Sheet and Financial Statements to members for perusal and acceptance.

INDEPENDENT AUDITOR'S REPORT

To the Members of Sports Federation of Queensland Incorporated

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report of Sports Federation of Queensland Inc., which comprises the statement of financial position as at 31 December 2011, the statement of comprehensive income, statement of changes in equity and notes comprising a summary of significant accounting policies and other explanatory information, and the declaration by the board of management.

Board of Management's Responsibility for the Financial Report

The board of management of the association are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 2 to the financial report is appropriate to meet the requirements of the Associations Incorporation Act of Queensland 1981 and is appropriate to meet the needs of the members.

The board of management's responsibility also includes such internal control as the board of management determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the board of management, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001.

INDEPENDENT AUDITOR'S REPORT

To the Members of Sports Federation of Queensland Incorporated

Qualification

As is common for organisations of this type, it is not practical for the Sports Federation of Queensland Inc. to maintain an effective system of internal control over income including the fund raising activities until their initial entry in the financial records. Accordingly, our audit in relation to income was limited to amounts recorded.

Qualified Auditor's Opinion on the Financial Report

In our opinion, except for the above mentioned matter, the financial report of Sports Federation of Queensland Inc. is in accordance with:

(a) the Associations Incorporation Act of Queensland 1981, including:

- i) giving a true and fair view of the entity's financial position as at 31 December 2011 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 2; and
- ii) complying with Accounting Standards in Australia to the extent described in Note 2 and complying with the Associations Incorporation Act of Queensland 1981; and

Basis of Accounting

Without modifying our opinion, we draw attention to Note 2 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the board of management's financial reporting responsibilities under the Associations Incorporation Act of Queensland 1981. As a result, the financial report may not be suitable for another purpose.
