The Organisation

The Sports Federation of Queensland, trading as QSport, is the representative body for organised, affiliated sport in Queensland and by dint of its extensive membership of mainly State sporting organisations representative of their sporting activity throughout Queensland, is accepted by government as the industry peak body for sport in the State.

Established in 1992, the Federation is incorporated as an independent industry based collective.

Its mission is to enhance the development of sport in Queensland by working to promote and sustain interest in the development of organised sport in the State by:

- providing members with forums for the exchange of information, advice and assistance, where appropriate
- formulating policies on any subject pertaining to sport by the collection and collation of the views of members and presenting both the majority and minority view to any other organisation, institution or body governmental, semi-governmental or otherwise as appropriate

- assisting in the coordination of broad, long term planning for sport in the State, including optimum use of sports facilities and other sporting resources in the State
- seeking and identifying direct or indirect funding sources which could be made available for the development of sport in the State, aiming to ensure that these funds are put to their most effective use
- promoting its role and that of sport by, amongst other things, the establishment and presentation of awards of merit or any similar form of recognition for skill, service and ability

QSport is analogous to the Sports Federations of other Australian States which collectively form Community Sport Australia Ltd.

Chair's Report

I am pleased to present this report to QSport members and other interested and related parties on the 2018 calendar year for Queensland's sports collective.

Early in the year, QSport celebrated 25 years of service to sport in Queensland since its incorporation in 1993.

Incorporation then came about as a logical development for those of our predecessor administrators led by the late Robin Just who worked during the previous year or so to bring into existence a federation of sports at State level to assist the development of sport here in Queensland.

So on 8 February 25 years on, in Parliament House in Brisbane thanks to Minister for Sport Mick de Brenni, some 100 invited QSport member delegates, sponsors and supporters acknowledged the journey that the Sports Federation of Queensland has engaged in over two and a half decades in the quest to enhance sports participation, health and wellbeing and fun and enjoyment for Queenslanders via sport.

Around about 25 years ago, I started a journey through sports administration with Surf Life Saving Queensland (SLSQ), an original member of the Federation via one of my predecessors as SLSQ CEO in Brett Williamson.

For 19 of those years, I have been the delegate to the Federation, trading these days as QSport, and from October 2006, the Treasurer, and from March 2012, Chairman.

This then is the seventh time I have contributed a Chair's report on the year in question, a year with its share of challenge for the major representative body for sport in Queensland, recognised and supported by government as the peak body for sport in this State.

As it turns out, it is, barring something unforeseen, the last time I will make this input, given I have resigned from SLSQ and will cease to be its delegate to QSport after the AGM in late March 2019.

In looking back on 2018, following the 25 year celebration in February, the AGM in March saw transition arrangements relating to the size and composition of the QSport Board come into effect.

With two less Board members and maximum terms applicable for those remaining, it was a case of 2018 being the end for longstanding Board member and sport administrator with hockey and then diving in Janne Ellis, who did not seek re-election, and the final year for another longstanding Board member in sports law specialist John Mullins.

Both made useful contributions over the years and in John Mullins' case, we have particularly valued his input on constitutional matters and other matters legal descending on sport, as well as sponsorship support.

Along the way in the second half of 2018, Treasurer Matt Helmers resigned from Equestrian Queensland to take up employment closer to home on the Gold Coast, replaced as Treasurer by Peter Doig, the Queensland Rifle CEO.

The AGM noted an operating surplus for QSport for the year ended December 2017 and an expected deficit in 2018, both due in part to carryover of State Government Industry Peak Body funding for QSport.

The surplus at the end of 2017 was the first since 2013 when the Newman led LNP administration cut funding to the two peak bodies in the sector, reducing support by a sixth, not including reduced Sport Awards sponsorship and withdrawal of cpi annual adjustments.

Over the five years since then, QSport has had its financial hands full, with more annual deficits than surpluses and the 2018 outcome the result of a range of expenses incurred in pursuit of QSport 2017-20 Strategic Plan outcomes and some one-off staffing and administrative costs, all able to be accommodated due to having sufficient reserves in place to meet those demands.

That said, it is worth noting that the QSport 2018 operating result compared favourably with those of other State sports federations and that QSport's membership fees were again the lowest, its State Government support lower than all bar in South Australia, and its sponsorship / philanthropic support the highest.

The QSport program covered elsewhere in the annual report and the demands on the small, two person secretariat in the QSport Office were greater than in previous years, coinciding with the stepping up of consultation by State Government Ministers, much of it associated with the development of the State's impending Sport and Active Recreation Strategy for the next decade.

2018 saw QSport in full swing for its advocacy on behalf of sport, thanks to a Minister in Mick de Brenni who valued the input of the State's peak body as the sports collective for Queensland.

It came at no detriment to QSport's program of professional development and networking for member State sporting organisation personnel and another top quality Sport Awards / Hall of Fame Presentation in November to round out the year.

With a Board of eight and a staff of two, QSport punches well above its weight and that's in no small way due to the abilities and experience of our CEO Peter Cummiskey and the support he receives from his Operations Manager colleague Kylie Thomson.

They have been there for the entire time I have been Chair and I thank them sincerely and my colleagues on the Boards over the years for their diligence and support of me personally and also QSport members, the State Government, other sponsors and supporters.

While I thought back in March 2018 that I might be on the QSport Board till March 2020, I am comfortable in departing now, indeed grateful for the opportunity for personal development that service with QSport has afforded me.

I leave knowing "the place is in good hands" and that the Board and staff will continue to have a very good handle of what has to be done to ensure sport continues to be adequately represented and supported appropriately.

JOHN BRENNAN OAM
Chair

CEO's Report

I am pleased to provide the following report on QSport activities for the calendar year 2018 from the perspective of the management of the organisation.

The year opened on a positive note with the annual audit of the organisation's finances for the previous year showing a surplus of revenue over expenditure, albeit the great majority of the surplus comprising carryover of some State Government Industry Peak Body (IPB) funding that arrived in the latter part of 2017.

Changes in the QSport Constitution, required in return for IPB funding, took effect from the AGM in March and saw the Board reduced from ten to eight and the beginning of a "changing of the guard" in terms of faces around the Board table that will not have run its course until March 2020, thanks to maximum terms for Board members.

So while QSport has no funding based relationship with the Federal Government's statutory body for sport, the latter's governance requirements of funded sporting bodies, picked up eventually by the State agency for sport here, will have had a marked impact on the governance of Queensland's sports collective, not that those requirements, in the main, are not reasonable.

Post the AGM in March and the Commonwealth Games in April and with the program of activities and events into full swing, 2018 saw a significant increase in consultation and collaboration with government at all three levels. This was particularly so in the case of the Queensland Government as Sport Minister Mick de Brenni made good on his word to start on developing the Queensland Government's new Sport and Active Recreation Strategy for 2019-2029.

From consultation on the discussion paper that made its way out to the general public midyear to subsequent involvement in sessions in Brisbane and regional centres and membership of his Ministerial Advisory Council, I found as

QSport CEO a significant commitment by the Minister and his senior Departmental officers, in particular Assistant Director-General for sport and recreation in Paige Ridgewell, to engage with QSport via its CEO and Chair as advocate for sport in a way not seen since the days of former Sport Minister Phil Reeves, who in 2018 continued to serve as Chair of the Queensland Fitness, Sport and Recreation Skills Alliance which, along with Mullins Lawyers, sponsored the QSport Conference in July supported by the State.

The resultant increase in engagement in advocacy saw a welcome acknowledgement late in the year of the need to rebalance the State's IPB funding allocation more towards QSport's core business, particularly advocacy and engagement with the State Government and not just on core sport matters, with Ministers Di Farmer and Yvette D'Ath involving me as QSport CEO on reviews of youth justice strategy, Blue Card implementation and changes to legislation relating to civil liability and human rights.

The QSport program of activities and events saw a continuation of member information sessions, forums and workshops with 14 conducted between end February and mid-September, including regional sessions in Toowoomba and Townsville on the findings from the IPB funded Understanding Sport Participation for 18-24 year olds research project.

This and the Member Forum on the Sport and Active Recreation Strategy to inform the QSport response to the call for submissions were carried out by way to be consultant Dr Donna Little who also assisted in the coordination and delivery of the eight QSport Sport Leaders mentoring program sessions conducted in 2018.

I acknowledge her efforts and those of fellow way to be consultant Dr Chris Schmidt who delivered three workshops in the Developing Industry Professionals series based on feedback in mid 2017 from QSport members on topics to be covered in 2017-19.

The year also delivered a breakthrough thanks to sponsor Local Government Association of Queensland (LGAQ) via its CEO Greg Hallam with formal interface with delegates from over 50 of the State's local governments assembled prior to the start of the annual LGAQ Conference in Brisbane in late October.

The three hour session enabled local government officers across the State to hear about QSport and its work and also input to the consultation phase of the State Sport and Active Recreation Strategy.

I also acknowledge the input of AICD sourced facilitators at Sports Governance sessions earlier in the year, speakers at the QSport Conference in July and QSport Associate in Brand Ambassadors' Terry Johnston for his presentation Sponsorship Ready to members in August, indeed all those who contributed to the staging of the program in some way in 2018.

The year of course ended by and large with the 24th annual Sport Awards / Hall of Fame Presentation, again staged successfully in front of over 700 attendees at the Brisbane Convention and Exhibition Centre, home to this annual event since its inception in 1995.

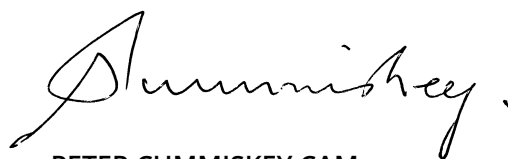

Sponsorship was again critical to the success of this exercise and with another trio of new sponsors in Inspire Sport Australia, Revolutionise Sport and the Skills Alliance and increased support from the LGAQ to complement all other sponsors and supporters, the night was able to be delivered to its usual high standard and favourable comment from attendees.

While the number of sponsors of QSport increased, the net return was down on 2017 due to a reduction in support from some longstanding sponsors but QSport still continued to produce the highest sponsorship of all State sports federations along with the lowest membership fee structure for members and associates.

Ongoing support from our major philanthropic donor via the Australian Sports Foundation in John Pearce was again greatly appreciated and ensured the operating deficit for the year was not otherwise greater.

For my part, members and supporters who engaged with us, including the State as QSport's principal financial supporter, "got a good run for their money" in 2018, with solid progress made on aspects of the QSport Strategic Plan for 2017-20 using retained member funds.

In closing this report, I thank my colleague in the QSport Office in Kylie Thomson for her support of me and the Board whose members I also thank for their contribution to the governance of the organisation, particularly the QSport Chair John Brennan and fellow Board member in John Mullins who are moving on from the Board, having served QSport well over many years.

PETER CUMMISKEY CAM
Chief Executive Officer

Sponsorship

Sponsorship as per previous years was again a major contributor to the operations of QSport in 2018, comprising over 38.4% of income but with philanthropy added in accounted for over 42% of this type of support.

QSport is appreciative of the commitment and support of its sponsors and supporters for its activities and services and during the year, recognised all such sponsors and supporters at its functions and was pleased to extend hospitality to those able to attend the QSport 25th Anniversary Function in Parliament House in February, the Sponsors Evening at the Brisbane Convention and Exhibition Centre in October and the Sport Awards / Hall of Fame Presentation in November.

All sponsors from 2017 were retained, a pleasing result in what are challenging times, and QSport welcomed new sponsors in Inspire Sport Australia, Revolutionise Sport and the Skills Alliance while continuing to receive philanthropic support from John Pearce, a longstanding supporter of QSport and Queensland sport more generally.

2018 sponsors were:

MAJOR SPONSORS

SPORT AWARD CATEGORY SPONSORS

SUPPORT SPONSORS

Board

The QSport Board is responsible for the governance and overall performance of the organisation and in 2018 was comprised of one (1) representative elected from Ordinary Members in each Sport Group (Aquatic, Field Team, Indoor and Outdoor), two (2) further representatives from Ordinary Members and two (2) Independent Members, elected by Ordinary Members.

During 2018, the Board met formally on six occasions with attendance as follows:

Board Member	Board Meetings
John Brennan	6 out of 6
Louisa Begley	3 out of 6
Ben Callard	5 out of 5
Peter Doig	1 out of 2
Kym Dowdell	5 out of 6
Janne Ellis	1 out of 1
Matt Helmers	4 out of 4
Rob Moore	6 out of 6
John Mullins	6 out of 6
Ken Rogers	5 out of 6

In the first part of the year, the Board considered the operationalisation and resourcing of the QSport 2017-20 Strategic Plan and the outcome of discussion with State Government officers on future funding.

The Board acknowledges ongoing State Government support of QSport as the industry peak body for sport in Queensland in financial terms for 2018 with a contribution of \$250,000, not including sponsorship of certain categories of the annual Queensland Sport Awards and the Queensland Sport Hall of Fame, which makes the State Government the biggest single fiscal contributor to the State's industry based sport collective.

In the second half of the year, the Board considered the rationale advanced by Sport Minister Mick de Brenni on behalf of the State Government for the development of a Queensland Sport and Active Recreation Strategy for the next decade and after a Member Forum in September, signed off on a submission to the consultation process.

The Board received appropriate reports on activities, compliance and finance at its meetings and considered a half yearly report of performance against the requirements of the QSport Strategic Plan.

Summaries of outcomes of most Board meetings were prepared and distributed to QSport members.

At year's end, the Board continued to be of the view that core objects of QSport were being met to the extent that resources available reasonably allowed.

SPORT LEADERS' MENTORING PROGRAM

QSport continued to conduct a self-help oriented program for member bodies' CEOs / equivalents, following successful programs in previous years. This also was supported by State IPB funding and was very well received by participants.

A total of ten participants were involved in the program in 2018 which featured eight sessions coordinated by way to be Director Dr Donna Little.

REQUESTS FOR INFORMATION

The QSport Office continued to field a significant number of requests for advice and information from members and other parties and answered such requests to the best of its ability in timely fashion.

Requests covered topics ranging from the Blue Card, advocacy, Commonwealth Games, consultancies, dispute resolution, employment, facilities, governance, government support, inclusion, member protection, member support, National Sport Plan, Play by the Rules, professional development, promotion, research, sponsorship, vocational education, women in sport.

Representation and Policy

QSport's role as the representative body for organised, affiliated sport in Queensland was maintained in 2018, noting there was a slight decrease in the number of Associate members. Membership was as follows:

- Ordinary Members 69
- Associate Members 45
- **Total Members 113**

QSport maintained contact with the Minister for Sport, his sport policy advisors and a range of senior Departmental staff on an ongoing basis on sport policy and program developments and related issues.

QSport maintained representation on / input to various industry and government committees and forums, including the Queensland Fitness, Sport and Recreation Skills Alliance Management Committee on workforce development.

There was a significant increase in advocacy related workload for the QSport CEO, particularly with the Minister for Sport, on the developmental phase of the Queensland Sport and Active Recreation Strategy, the Minister for Child Safety, Youth and Women Di Farmer on the Government's Youth Justice Strategy and the State Justice Minister Yvette D'Ath on civil liability and human rights legislation.

Liaison was also maintained with other State and Territory Sports Federations, with QSport's CEO attending meetings in Melbourne and Perth in his role as Secretary of Community Sport Australia Ltd, formed to nationally represent the State and Territory Federations and to advocate for community sport in Australia.

Increased dialogue with the Australian Sports Commission, (renamed Sport Australia in late 2018) on the National Sport Plan and the Sport Australia Plan and Program followed their release in the latter half of 2018.

The Queensland Government sponsored Service to Sport Awards were awarded to swimming's Peter Crane, gymnastics Sherele Graham and AFL's Alan Mackenzie for their decades of contribution to their sports.

QUEENSLAND SPORT HALL OF FAME

A highlight of the night was the installation of rugby league great Mal Meninga as the 18th Legend in the Queensland Sport Hall of Fame.

On 1 August Mal Meninga was named a rugby league immortal. That said it all. He is one of the game's all-time greats. A player, coach and statesman of the highest order.

Born in Bundaberg of South Seas Island heritage, a product of Maroochydore State High School and 10 years a policeman, he has made a contribution to the game like few others. Not just via block-busting runs, bone-crunching tackles, pressure-packed goal-kicking or inspirational captaincy. And not just his ability as a coach to build a family-like environment that saw the Queensland State of Origin side reign supreme for eight years. He set personal standards that are above and beyond.

His career highlights are endless. Seven years playing with Souths in Brisbane when for most that was the pinnacle, two high-impact years with St.Helen's in England and nine years with

Mal Meninga, the 18th Legend in the Queensland Sport Hall of Fame

the Canberra Raiders. More than 300 first-grade games, 32 State of Origin games for Queensland and 46 games for Australia - 23 as captain. All despite an arm he broke more times than he might care to remember.

Who can forget the first Origin game in 1980? In front of a capacity crowd of 33,000 at Lang Park, on his 20th birthday, Meninga scored the first Origin points via a penalty goal. He finished with 7 from 7 as the Maroons beat the Blues 20-10 and one of world sport's great rivalries was born.

He was the only player to make four Kangaroo tours of England ... the 1982 Invincibles, the 1986 Unbeatables, and the teams of 1990 and '94 when he was captain.

Inducted into the Australian Sports Hall of Fame in 1994, he became a Australian rugby league Hall of Famer in 2003 and was named in the Queensland and Australian Teams of the Century in 2008. As Queensland celebrated 150 years in 2009 he was named one of the State's 150 icons

He coached Canberra for five years, coached Queensland for 10 years through a golden era of nine series wins, and since 2016 has coached the Australian team, restoring pride in the green and gold jumper just as he did the Maroon strip.

The Awards / Hall of Fame Presentation, held annually since 1995, was again well supported by major sponsors in News Queensland and the Queensland Government and a significant number of other supporters whose assistance is integral to the success of the event, including QSport's only philanthropic donor in John Pearce.

Thanks particularly go to MC's in Channel Seven Sport's Pat Welsh and Victoria Carthew, supported by News Queensland's Robert Craddock, BCEC staff for their service on the night and our other suppliers, not forgetting the small band of volunteers, who help make this "night of the year" annually for Queensland sport.

OTHER FUNCTIONS

The other major functions during the year were QSport's 25th Anniversary Function in Parliament House in February attended by some 100 guests, and the QSport Sponsors Function at the Brisbane Convention and Exhibition Centre - co-sponsored by Club Queensland & LGAQ

These opportunities to network with sponsors and other supporters continue to play a meaningful role in QSport's annual program of activities

Treasurer's Report

I provide the following report in my capacity as QSport Treasurer on the finances of the organisation for the 2018 calendar year.

I came into the role in the latter part of the year following the departure of Matt Helmers.

I soon realised that the task would be made entirely acceptable with the support of competent, experienced operators in the QSport Office in CEO Peter Cummiskey who is largely responsible for raising revenue and Operations Manager Kylie Thomson who receives, records and reports on it upwards appropriately as required.

The year in question had its challenges and while a larger than originally budgeted deficit was recorded, the existence of adequate reserves meant that a contraction in revenue of some 2.5% against budget and an increase in administration costs of some 5% could be handled without causing undue concern.

The revenue contraction was due to reduced sponsorship from three longstanding sponsors of the annual Sport Awards / Hall of Fame Presentation, offset to a degree thankfully by the acquisition of three new sponsors in Inspire Sport Australia, Revolutionise Sport and the Skills Alliance and increased support from existing sponsors the Local Government Association of Queensland and Mullins Lawyers above and beyond cpi.

The increase in expenditure was the result of a number of actions that required support in pursuit of outcomes sought in the QSport 2017-20 Strategic Plan such as resourcing a greater QSport social media presence and revamping the QSport website and also developing a substantial response to the State's Sport and Active Recreation Strategy Consultation.

An increase in the cost for staffing due to taking up additional long service provision and some minor salary adjustment required also was a contributing factor, noting the total is still below the 2013 figure.

The retiring QSport Chair has commented in his report on the fiscal reality facing QSport over recent years culminating in the 2018 calendar year.

I endorse his take on the performance of the organisation, noting how we fared compared to counterparts interstate, the impact of reduced support in some key areas of revenue and the reality that the Board and the members cannot expect "more for less", given the resources available and the nature of the obligations that go with much of the support QSport receives.

At year's end, with all required provisions addressed, over \$200,000 in retained surpluses and ongoing commitment from the State Government for services to be provided in 2019, QSport remains in a sound financial position.

I commend the Balance Sheet and Financial Statements to members for acceptance.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2018

1. INTRODUCTION

Sports Federation of Queensland Inc. ("Association") is a not for profit association incorporated as an industry based collective. The financial statements of Sports Federation of Queensland are for the period 1 January to 31 December 2018.

Principal activities

The principal activity of the Association during the year was the operation as the primary representative body for organised and affiliated sport in Queensland working to enhance and develop sport in Queensland.

Currency

The financial report is presented in Australian dollars and amounts are rounded to the nearest dollar.

Registered office

The registered office of Sports Federation of Queensland is situated at Sports House, Cnr Castlemaine & Caxton Streets, Brisbane, Queensland 4064.

Authorisation of financial report

The financial report was authorised for issue on the 27th day of February 2019 by the Board of Management.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of accounting

The Association is not a reporting entity because in the opinion of the Board of Management it is unlikely that users exist who are unable to command the preparation of reports tailored so as to satisfy all of their information needs. These financial statements are therefore "Special Purpose Financial Reports" that have been prepared solely to meet the accountability requirements under the Association's constitution and the requirements of the Associations Incorporation Act 1981 (Queensland).

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors' and AASB 1048 'Interpretation and Application of Standards', as appropriate for not for profit oriented entities. These financial statements do not conform with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Historical cost convention

The financial statements have been prepared under the historical cost convention.

Critical accounting estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. Management do not believe the Association has any judgements, estimates or assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

(a) Revenue recognition

Sponsorship income is recognised upon invoicing of the sponsor in accordance with the terms and conditions of sponsorship. Adjustments are made to this revenue item when the sponsor's invoice is received.

(b) Government grants

Government grants, (including non monetary grants at fair value) are not recognised until there is reasonable assurance that all conditions will be complied with and that the grants will be received. Grants are recognised in the Statement of Comprehensive Income over the periods necessary to match them with the related costs which they are intended to compensate, on a systematic basis.

(c) Receivables

Trade accounts receivable and other receivables represent the principal amounts due at balance date less any provision for doubtful accounts.

(d) Income tax

The Association is exempt from income tax under the Income Tax Assessment Act 1997.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(e) Property, plant and equipment

All property, plant and equipment are stated at cost.

Plant and equipment is stated in the financial statements at cost. All plant and equipment are depreciated over their estimated useful lives using the diminishing value method starting from the time the assets are held ready for use. The average depreciation rates per class of asset are as follows:

Plant and equipment	15%
Motor vehicles	22%

(f) Employee benefits

Wages and Salaries, and Annual Leave

Liabilities for wages and salaries and annual leave are recognised, and are measured as the amount unpaid at the reporting date at current pay rates in respect of employees' service up to that date.

Long Service Leave

The provision is measured at the present value of the estimated future cashflows in respect to services provided up to balance date. Liabilities are determined after taking into consideration estimated future increases in wages and salaries and past experience regarding staff departures. Related on costs are included.

(g) New, revised or amending Accounting Standards and Interpretations adopted

The Association has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

(h) New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the association for the annual reporting period ended 31 December 2018. The Association has not yet assessed the impact of these new or amended Accounting Standards and Interpretations.

INDEPENDENT AUDITOR'S REPORT

To the members of Sports Federation of Queensland Inc.

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Sports Federation of Queensland Inc. (the Entity), which comprises the statement of financial position as at 31 December 2018, the statement of profit and loss and other comprehensive income, and the statement of changes in equity for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and managements' assertion statement.

In our opinion the accompanying financial report presents fairly, in all material respects, the financial position of the Entity as at 31 December 2018 and of its financial performance and its cash flows for the year then ended in accordance with the basis of accounting described in note 2.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the Entity in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter - Basis of accounting

We draw attention to Note 2 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Entity to meet the requirements of Associations Incorporations Act 1981 (Queensland). As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of management and those charged with governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 2 is appropriate to meet the requirements of Associations Incorporations Act 1981 (Queensland) and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at:

http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf

This description forms part of our auditor's report.
